What season are we in?

Littleton Park in the Autumn

Looking Back at God's Faithfulness

Every season has its purpose. Spring brings new beginnings, summer brings growth, autumn is a time of gathering and winter prepares the ground for what comes next. As we move into autumn, it's worth pausing to look back and thank God for His faithfulness over the past few months.

At SABC, so much happens because people are willing to give their time, energy and gifts. In a small church, every contribution matters. From those who prepare and serve refreshments, welcome people at the door, lead worship, preach and teach, to those who organise activities, care for others, pray faithfully and quietly get things done behind the scenes — there are many people who work hard to help our church family flourish.

We give thanks for the opportunities God has given us to worship, fellowship and reach out to our community. We give thanks for our Sunday services, our Bible studies and prayer meetings, for our fellowship together and for the new opportunities that have begun to take shape.

We are especially thankful for everyone who has served, supported, encouraged and prayed over these past few months. Much of what happens at SABC may go unnoticed, but it is not unimportant. Every act of service, however small, is part of the life of our church.

As we look towards a new season, let's give thanks for what God has already done — and trust Him for what is still to come.

Thank you to everyone who plays their part in the life of SABC

Colossians 3:17 — “And whatever you do, whether in word or deed, do it all in the name of the Lord Jesus, giving thanks to God the Father through him.”

A New Season Begins

A new evening of worship at SABC

We're delighted to be introducing something new at SABC this September — **Sunday at Six**, an evening service offering another opportunity for us to gather together, worship God and hear from His Word. The evening will be centred around **praise and worship**, together with a short 15-minute talk. The service will be simple, relaxed and focused on spending time together in God's presence.

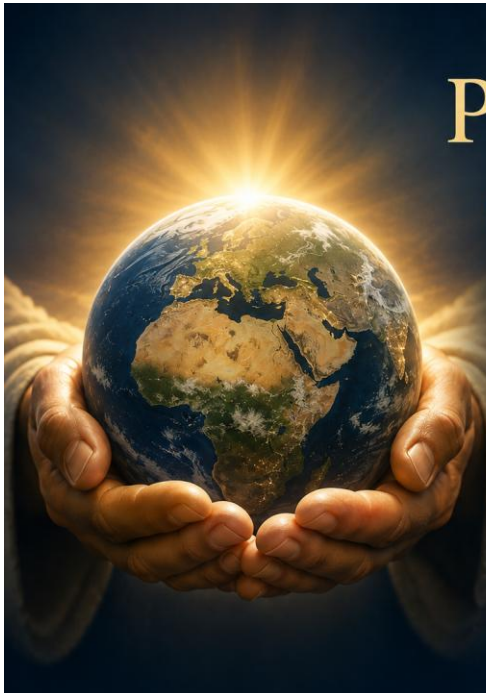

Sunday at Six is open to everyone, so, if you've not been able to join us on a Sunday morning, or if you simply fancy coming along for an evening of worship, **why not give Sunday at Six a try? We would love to welcome you.**

Past, Present and Future

The Big Picture According to the Bible

Discover what the Bible teaches about world history and what is yet to come.

You are warmly invited to our new 12-week Bible Study that begins this September. Together we will explore God's unfolding plan from the beginning of history to its glorious fulfilment, discovering how biblical prophecy gives hope, confidence and perspective for today. Whether you've attended Bible Study before or are thinking of coming for the first time, everyone is warmly welcome.

A 12-WEEK BIBLE STUDY
WEDNESDAYS • 3.30PM

What Will We Explore?

Our 12-week Bible Study begins on **Wednesday 9th September at 3.30pm** where we will journey through God's unfolding plan, exploring some of the Bible's most significant themes concerning the past, the present and the future.

Each week will build on the last, so you won't want to miss it!

This isn't simply a Bible Study where you come along, listen and go home. Each week there will be **questions to think about and homework to complete for the following session**, helping us to explore the subject more deeply and giving us plenty to discuss together.

Please sign up if you would like to take part, as we will need to send out the weekly questions and homework in advance.
